

# Leftovers Log Sheet

Fill in this log sheet with the items from your lunch!  
 Can you find a way to reduce, reuse, and recycle?  
 Composting is a way of recycling the organic materials that we otherwise might throw away!

Item	Reuse	Recycle	Compost	Landfill	Could Replace with:
Juice box				X	Reusable Cup

## Dig Deeper

Composting happens all around us! Can you find these decomposers at work in your neighborhood? Try looking under logs and leaves to find composting in action!

pill bug

ant

snail

centipede
